A Worthy Successor to a Popular Book:

INTRODUCTION TO BUSINESS

The first edition of INTRODUCTION TO BUSINESS achieved and maintained a popular national leadership in its field. The new second edition is a still greater book that incorporates many constructive suggestions from satisfied users of the first edition.

SECOND EDITION

By

Glos and Baker

INTRODUCTION TO BUSINESS is written in a dynamic and understandable style for the first course in business which will serve as a comprehensive foundation on which other courses can be built. This foundation includes a close tie-up with specific business situations and current economic theory. This rich background will give your students a running start. It will introduce them to other subjects and will orient their thinking.
